Time it was,
And what a time it was,
It was . . .
A time of innocence,
A time of confidences.
Long ago . . . it must be . . .
I have a photograph.
Preserve your memories;
They're all that's left you.

The National Honor Society for Secondary Schools was started in 1921 by the National Association of Secondary School Principals. The purpose was to form an organization for high school students that would stress all around qualities of scholarship, leadership, and good citizenship.

The Springs Valley Chapter of the National Honor Society was originally formed at French Lick High School on March 6, 1946, through the efforts of the late Mr. Rollie Geddes, the Superintendent of French Lick Schools.

At Springs Valley High School candidates for membership must be either Juniors or Seniors and they must rank in the top third of their class academically. Membership is limited to 10% of the Juniors and 15% of the Seniors. Election of new members is made by secret ballot of the whole high school faculty. Induction services were held in May by the members elected the year before as Juniors. The organization is under the leadership of the sponsor, Mrs. Suzanne Emmons.

The basic concern of the Student Council is to promote and maintain a good relationship between faculty and students. It is also their responsibility to collect funds to purchase Christmas baskets for the needy.

Each homeroom elected two members to serve on the council and it is sponsored by Mrs. Jones.

The Jr. High has their own council and members are elected in the same manner.

Seniors who are considering going into teaching as a career sign up for exploratory teaching during regular class period. Each day throughout the year the students report to their elementary classroom and assist the teacher in grading papers and mineographing papers. They also decorate bulletin boards, aid the children in reading and other subjects, and help make decorations.

They are given a grade at the end of each six weeks in this class based upon their ability to get along with the students, on attendance, on neatness of dress, and several other factors.
